

LEARNING SKILLS FOR REFUGEES & IMMIGRANTS WITH LOW OR NO EDUCATIONAL BACKGROUND

The Erasmus+ "LEARN" Project is an initiative that seeks to assist refugees and migrants at the beginning of their educational journey in their new home country. This will enable them to pursue a career so that they can be self-sufficient and equally integrated into society.

Objectives

- To create a complete educational toolkit
- To create an e-Learning tool which will assist adult education centers and other entities working towards the integration of refugees and migrants
- To design a guidance tool for recently accepted immigrants
- To provide high-quality learning opportunities, adapted to the learning needs of the target group
- To assist migrants and refugees in managing anxiety and stress caused by educational difficulties they encountered

Target Groups

- Adult education trainers, Trainers in Intercultural Education and Inclusion, social workers and NGOs
- Adult and youth refugees with little or limited formal education background.
- Other relevant stakeholders dealing with vulnerable groups or groups of refugees and migrants.
